HELIAC ENERGII CONTROLS SOLUTIONS

Reliable Parts | Efficient Performance | Sustainable Tomorrow

Your Trusted Partner in Turbine & Compressor Inspection Solutions

Complete Range of

TURBINE SPARE PARTS

For Maximum Uptime & Performance

GAS TURBINE SPARE PARTS

Mechanical

- Turbine rotor
- Turbine blades (buckets)
- Stator blades (nozzles)
- Shrouds
- Transition pieces
- Combustion liners
- Crossfire tubes
- Flow sleeves
- Turbine casing
- Compressor rotor
- Compressor blades (multiple stages)
- Diaphragms
- IGVs (Inlet Guide Vanes)
- VSV actuators
- Bearings (journal, thrust)
- Bearing housings
- Accessory gearbox
- Liquid fuel pumps
- Lube oil pumps
- Hydraulic pumps
- Heat exchangers
- Air inlet filters
- Oil filters
- Flex hoses & piping

Electrical

- Ignition transformers
- High-temp cabling
- Solenoids
- Motors (pump, fan)
- Transformers
- Switchgear
- Protection relays
- MCC components

Electronics / Control

- Mark VI / VIe / VIeS
- Mark V / IV, II
  EX2000, EX 2100,
  Ex2100e control cards
- I/O packs
- Termination boards
- Power suppiles
- HMI modules
- Excitation system cards

Instrumentation

- Thermocouples
- RTDs
- Pressure transmitters
- Temperature transmitters
- Vibration probes
- Speed sensors
- Flame detectors
- Igniters
- Fuel nozzles
- Flow sensors

STEAM TURBINE SPARE PARTS

Mechanical

- Turbine rotor
- Moving & stationary blades
- Nozzle blocks
- Diaphragms
- Inner & outer casing
- Bearings
- Couplings
- Glands & seals
- Steam chest
- Control valves
- Stop valves
- Governor valves
- Exhaust hood
- Turning gear
- Lube oil system

Electrical

- Pump motors
- Turning gear motors
- Excitation system parts
- Switchgear
- Relays

Electronics / Control

- Turbine control cards
- PLC modules
- Speed control electronics
- Trip system electronics

Instrumentation

- Thermocouples
- RTDs
- Pressure transmitters
- Temperature transmitters
- Vibration probes
- Speed sensors
- Flame detectors
- Igniters
- Fuel nozzles
- Flow sensors

WHY CHOOSE US?

- Original Quality Parts
- Wide Range & Availability
- Competitive Pricing
- Expert Technical Support
- Fast & Reliable Global Supply

Keeping Your Turbines Running and Your Business Moving

Your Reliable Partner for Global Industries
